Established is 2001, Connect It Utility Services (CIUS) specialise in providing comprehensive multi-utility solutions designed for all aspects of infrastructure network developments. With over 24 years of industry experience, we have established ourselves as a trusted partner to many of the UK's leading housing developers and distribution networks.

We deliver a wide variety of small to large infrastructure contracts, new developments (residential and commercial), electrical network frameworks, electrical vehicle charging hubs and turnkey solutions for streetlighting works.

With a team of highly qualified, MURS-accredited engineers, we offer a one stop solution to all of your utility needs. By integrating all utility services into a single project phase, we eliminate the need for multiple contractors and reduce both time and cost, helping you stay on schedule.

#### **COUNTY CORNER**

### FOR 16/17-YEAR-OLDS

Who play open aged Football (Adult) - "KNOW YOUR RIGHTS"

#### IMPORTANT INFORMATION FOR SEASON 2024 - 2025

- All clubs with open age teams will be required to have a named Club Welfare Officer at the point of affiliation from 2023 – 2024 season onwards.
- All open age teams with 16/17-year-old players must ensure that the team coaches must have an in-date FA DBS in place.
- It is the responsibility of clubs to ensure that they are aware of any 16/17-year-olds playing, and to adhere to the FA DBS requirements.

#### IFAB – Laws Of The Game Update 25/26

#### CAPTAINS ONLY PROTOCOL

### LAWS OF THE GAME OVERVIEW

#### CAPTAINS ONLY PROTOCOL

#### Law 3 - Law 5

- Only designated captains (wearing an armband or identified at the coin toss) may approach the referee.
- Referees can activate the protocol by communicating with the plauers around them
  - Once the referees have communicated the captains only protocol is activated, Referees and Captains are expected to enforce
- · A 4m "no-go" zone is established around the referee.
  - Other players entering this zone in an aggressive manner or to cause interruption to the process: YC for dissent
  - Multiple players = at least 1 caution; incident must be reported
- Protocol aimed at reducing confrontation and improving respect.

#### **Purpose and Rationale**

The protocol is designed to **strengthen respect between players and referees** by formalising that only the team captain may approach the referee to discuss key decisions. The aim is to reduce incidents of mobbing, dissent, and intimidation of match officials — improving the environment for everyone involved in the game.

#### **Key Points**

- Normal, respectful interactions with referees are still permitted; however, dissent (by word or action) remains a yellow card offence — even for captains.
- Only the captain from each team is allowed to approach the referee on major decisions.
- Captains are responsible for ensuring teammates stay away from the referee during these moments.
- Referees may delay the restart to allow captains to communicate messages back to their teams if necessary.

#### **Additional Details**

- If the goalkeeper is the team captain, an outfield player must be nominated to fulfil
  this role for referee interactions.
- A "captain-only zone" of 4 metres will be established around the referee; no other players are permitted within this area.
- Any non-captain entering this zone should be cautioned for dissent by action. If multiple players enter, at least one must be cautioned, and the incident will be reported to the relevant authorities.
- Competition organisers are encouraged to introduce sanctions for repeated breaches across the season.

#### National Implementation

This protocol will be implemented consistently across:

- All professional competitions
- The National League Pyramids
- County FA-administered football

Our approach is to create alignment and consistency from the top tiers to grassroots, improving behaviour towards match officials at every level.

#### **Education and Communication**

We are currently rolling out education for referees, County FAs, Referee Development Officers, and other stakeholders to ensure clear understanding and consistent application.

#### Clarification for Youth, Veterans, Disability, and Grassroots Levels

Although IFAB have included an arm signal to initiate the protocol at these levels, in England we will not adopt this. Referees will manage the protocol themselves, using their existing match management skills.

If you have any questions or would like to discuss the details further, please don't hesitate to get in touch through refereedevelopment@thefa.com

# A Quick Chat with Charlie

Welcome to our first home game of the season at Meyson Properties stadium. I would like to thank our sponsors Broadview for sponsoring us for another season, and welcome a strong Cobham sports for tonight's game.

We are six games in and we've had a challenging start in comparison from last season. After a slip up away to Balti on day one, we have been on the up and maybe should have more points on the board.

We have had some new additions to the squad and they have settled in really well. In our last game against Verwood we secured three points and another clean sheet. We got an early goal and had to defend against some real pressure from Verwood. Having said that we had a couple of chances of our own and we should have stretched the lead to make the game more comfortable.

Tonight's game will be a test for the reserves as Cobham boasts a good scoring record, whilst we are an organised young team and have a run of clean sheets. Tonight's game should be an exciting one.

Enjoy this evening's game.

Thank you to our supporters, sponsors, groundsman, and the board for all your support.

Charlie Richards, Hamworthy Recreation Reserves Manager

## Todays Opposition

The club was established in 1949 as Flight Refuelling F.C. and played in the local Dorset leagues. The club managed to work its way up the leagues and joined the Dorset Combination league for the start of the 1958–59 season. However, they only lasted two seasons in the league and had to wait until the 1977–78 season. Their first season back in the Dorset Combination league was a complete success as they finished the season as champions. Four seasons later in the 1980–81 campaign, the club made their debut in the FA Vase and continued playing in the competition until the end of the 1994-95 season when new ground regulations stopped them entering the competition. They changed their name to Cobham Sports F.C. in 2001.

At the start of the 2010–11 season the club merged with Merley Allendale Youth FC, and changed their name to Merley Cobham Sports F.C. In May 2012, the club was awarded its FA chartered Standard. The club reverted to the name of Cobham Sports F.C. in 2024.
